*Over for more information*
Please Note
The fundamental course is designed for nurses with minimal experience in fetal monitoring (1 year or less). The advanced course is designed for nurses who have developed a professional practice that utilizes fetal monitoring interpretation skills. Illinois programs are partially funded by the Illinois Department of Public Health. The AWHONN Courses are not introductory level courses and require a minimum of 6 months experience interpreting fetal monitor tracings. A separate brochure will be mailed out for the AWHONN programs.

SSM Health St. Mary’s Hospital - St. Louis
Attn: Perinatal Outreach
6420 Clayton Road
St. Louis, MO 63117

Accreditation Information
SSM St. Mary’s Fetal Monitoring Class (both Advanced and Fundamentals) are approved for 5.0 contact hours or 5.0 CME credit hours.

AWHONN provides 8 contact hours (or 6 CME credits) for their advanced fetal monitoring and 18 contact hours (or 15.25 CME credits) for their intermediate fetal monitoring class.

SSM Health St. Mary’s Hospital is an approved provider of continuing nursing education by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
